

Government and Education 3% Rebate Program

Assists Resellers in Closing Sales to Government and Educational End Users Eligible Sales

A federal, state, county or local government agency or public or private educational institution must place an order for eligible hardware product (see table below) and take delivery to qualify. Country of origin has been added to each product for your reference.

- Accessories (scanner cartridges, batteries, etc.) purchased with hardware products are eligible for rebate dollars.
- Supplies (ink, toner, specialty papers, etc.) are **not** eligible for rebate dollars.

Rebate Amount

Rebate amount is **3%** of the purchase price from the Consumer Imaging Group of Canon U.S.A., Inc. (“Canon”) or Canon’s authorized distributor. The rebate earned is based on order(s) from a government agency or educational institution delivered within a 90 day period.

Procedure to Claim a Rebate

Resellers who purchase product to fulfill an order directly from Canon must do the following once the product has been delivered to the end user.

1. Complete the attached Corporate, Government and Education Rebate Claim Form.
2. **Fax** a copy of the completed claim form with a copy of the invoice(s) to the end user or a point of sale report from reseller’s automated system to **516.328.4440**.
3. The reseller will receive a rebate credit to their account with Canon. Please allow three (3) weeks for the credit.

Resellers who purchase product to fulfill an order from an authorized Canon Distributor will receive their rebate from the Distributor. Because the Distributor may build the rebate into the price, please be sure to inform the Distributor up front that the purchase is for a Government or Education customer and inform the Distributor that you want to take advantage of Canon’s Government and Education Rebate Program.
